### PRAYER CHAIN REQUESTS

Call Jim or Paulette at: .....688-3237

Living in the country give someone the opportunity to learn something new every day. Part of what you learn is that these lessons not only relate to the physical nature of our life, but also the spiritual.

Shortly after moving to the country, we decided that we were going to plant an orchard. *“Green Acres is the place to be... farm living is the life for me....”* It wasn’t long before there were two pear trees, six apple trees, and three cherry trees. *“We have fruit trees! Now let’s just sit and wait for the fruit!”* Well, within the first two years the excitement died out, just like the cherry trees. The apple trees, though not as hearty looking as the pear trees, produced some fruit but we needed to protect them from the constant bombardment of deer that plundered the bark off the trees. Our pear trees on the other hand, had been growing beautifully for six years, easily eight feet tall, but had not produced a single piece of fruit. After some research online we found that we should have been pruning some of the limbs back every year instead of just allowing them to grow all over the place. Branches that grow upward through the tree can reduce air flow and light – they try to become the “leader” by fighting the leader limb which grows up the middle. Limbs that grow downward will never be able to support the weight of fruit (not that this one affected us much!) and will break. All the while taking away the energy for the rest of the tree. Lastly, limbs that grow inward can cause harm by rubbing against other branches. Just like Oliver Wendell Douglas, we realized that we still have a lot to learn!

When Jesus talks about being the vine, and each one of us a branch, these pear trees don’t seem

too far off, do they? Some “branches” turn away from the teachings of Jesus and try to become that “leader” limb – for some reason they don’t feel like they can give up control over their lives. I’m sure we all can relate to times where we struggle. Other branches (folks) can become those downward growing limbs, thinking that they can bear the burden of the fruit growing on them (let’s be honest, if you had 50 times your weight on your shoulders you may not be able to hold either) only to break away from the tree. How often do we feel the weight of life and think we won’t be able to hold? Lastly, there are some branches who feel they are doing good but are only causing detriment to the rest of the tree by growing into one another, causing damage to other limbs. We are each one branch in the one tree of humanity.

So how do we help to prune ourselves back to allow for the fruit of the spirit to grow? Partaking in the beautiful sacraments that the Catholic Church has to offer. Asking Jesus to prune us of our sins in the sacrament of reconciliation or by giving us more energy in the Blessed Sacrament, Holy Communion. We can prune those parts of us we know are causing pain by sharing with one another before or after Mass, feeling part of the true Tree of Life. By learning to pray we can attend to those areas we need assistance.

Benjamin Franklin might have summed up the teachings of Jesus best by saying *“Tell me and I forget, teach me and I may remember, involve me and I learn.”* Jesus’s teachings are to be lived... not just listened to. Come to Mass with an open heart. Share with one another your struggles and joys. Be involved in these beautiful sacraments that the Catholic Church offers. Most of all, be willing to allow the leader to flow into you and allow yourself to produce more beautiful fruit that you could ever have imagined!

*Glorify the Lord with your life!*

Deacon Brad

# May, the Month of Mary

Each year, the month of May is dedicated to our Blessed Mother Mary. Our parish will offer several opportunities this May for devotion to Mary, so that her intercession might bring us ever closer to her son Jesus.

## May Crowning

**At the end of all Masses, May 4-5**

Our recent first communicants will be crowning a statue of the Blessed Mother at the end of all Masses the first weekend of May. Pray for all our parish children who recently received the Eucharist for the first time!

## Our Lady of Fatima Rosary Rally

**Saturday, May 18 • 11:30 am • Mary statue next to Sacred Heart Church (rain location: inside the church)**

On the anniversary of Mary's first appearance in Fatima in 1917, join our parish Legion of Mary group for an outdoor prayer service! The service will include songs, the rosary, and other Marian prayers asking for our Blessed Mother to intercede for our families and our community.

## Rosary

**½ hour before all weekend Masses in May**

Join us for the rosary before each weekend Mass during the month of May. All are encouraged to join us for at least one rosary this month, especially if you haven't prayed the rosary before or in awhile! Rosaries and instructions will be available in the churches.

# YARD PROJECTS NEEDED

Please note that students are prohibited from using power tools.  
The deadline for project submissions is May 1st.

## WHY DO WE DO THAT?

Ever wonder what the words, gestures, and rituals of Mass are all about? Keep an eye on this space each week! This week's question:

**Q. Why do we use holy water?**

A. Traditionally, we have placed fonts of holy water near the entrances of our churches. This placement and usage corresponds to Old Testament Jewish practices of purification: The Book of Leviticus prescribed various ritual purifications using water (cf. Lev 12-15). And in the area before the Jewish Temple building in Jerusalem was the Laver, an immense bronze basin filled with water. Here the priests purified their hands and feet before offering sacrifices, bathed before entering the Temple, and drew water for other purification rituals.

We too have fonts filled with holy water for blessings as a sign of repentance of sin, and as a reminder of our Baptism.

The repentance of sin symbolized in the washing with water is reflected in Psalm 51: "Have mercy on me, O God, in your goodness; in the greatness of your compassion wipe out my offense. Thoroughly wash me from my guilt and of my sin cleanse me." (1-2).

Finally, holy water reminds us of our Baptism, when by the invocation of the Holy Trinity and the pouring of holy water, we were set free from Original Sin and all sin, infused with sanctifying grace, incorporated into the Church, and given the title son or daughter of God. In making the sign of the cross with the holy water, we are mindful that we are called to renew those baptismal promises of rejecting Satan, all his works, and all his empty promises, and to profess our credal faith.

Adapted from Fr. William Saunders, "Straight Answers: Meaning and Uses of Holy Water" ([catholicerald.com](http://catholicerald.com))

Got a question about the Mass? Send it to the parish office, drop it in the collection basket, or email it to [rsaley@stjudeoshkosh.org](mailto:rsaley@stjudeoshkosh.org).
